

AKADEMEIA
HIGH SCHOOL

Year 9
Academic Programme
2023/2024

Foundation Year

Year 9 entails a one-year preparatory programme to students before they start the four-year high school programme at Akademeia High School.

In this foundation year, students have the opportunity to experience the full range of subjects from different faculties offered by Akademeia before embarking on their iGCSEs.

The co-curricular programme complements our regular classes and encourages the holistic growth of each student.

There are only a small number of places available at this entry point.

Core Subjects

English Literature & Language

Polish

Modern Language

Intro to Humanities

Intro to Social Sciences

Mathematics

Physics

Chemistry

Biology

Visual Arts

Co-curricular

Sport

Students will participate in a range of team and individual sports during lessons and after-school sports clubs.

Personal Development Scheme

PDS helps our students to build transferable skills through collaborative projects, workshops and internships.

Co-curricular Activities

Akademeia students can pursue one or more co-curricular courses from the diverse range of school clubs available.
